## Kindergarten and Child Care at GVS Ende-Nord

We provide care and education for children in four mixed-age groups, between the ages of 2 and 6 years old.

---

The bungalow-style building has four bright and friendly group rooms, each with adjoining washrooms and outdoor play areas. You'll find a spacious entrance hall, full kitchen and on-site laundry. There is plenty of space for kids to play and be active indoors and out, in either the well-equipped kids gym or the fully fenced, shaded areas outside. There's a cozy room for sleeping, and each group room has a comfy area tucked aside for reading and relaxation time.

---

**Opening Hours: 7:00am – 4:00pm**

We have the options available for child care:

### 25 hours/week half day

During the times: 7:00am - 12:15pm

### 35 hours/week part-time split

During the times: 7:00am - 12:15pm  
2:00pm - 3:45pm

### 35 hours/week part-time continuous

During the times: 7:00am - 2:00pm

### 45 hours/week full-time

During the times: 7:00am - 4:00pm

Please ensure your child will be dropped off and ready to begin their day by 9:00am at the latest. At 9:00am the front door is closed and locked.

The first building blocks of a child's early education and development are laid within the family. We accompany and support parents and caregivers as partners in this process.

---

### What matters to us:

We help to strengthen and assist each child in their individual stages of development.

We accompany every child on their path to grow into a confident and responsible person.

We provide incentive and motivation for each child to gain new experiences and capabilities.

We support every child in making friendships with other children, promote working in groups and building a sense of community.

We give each child the opportunity and support to form essential social-emotional, cognitive and motor skills.

We provide an enriching environment for growth and learning, and an atmosphere of emotional warmth, appreciation and trust.

We find great importance in working together with parents and caregivers in a cooperative partnership in their child's development.
